

**BONDURANT REALTY CORPORATION
STANDARD VACATING CHECKLIST**

For your information and assistance we have prepared a checklist of items which should receive your attention during the time that you are cleaning and preparing to turn your residence back over to Bondurant Realty Corporation. If you fail to comply with these move-out instructions and procedures, you agree that you will be liable to Owner for the cost of such cleaning and repair or replacement of soiled, missing or damaged items as Owner is required to perform, as shown in the amount in parenthesis or otherwise noted following the description of each item below. Furthermore, you agree that the charges set forth in this schedule are reasonable charges for the work or items described therein.

1. Halls must be free of dirt, grease, fingerprints and scuff marks. The cost of removing bad marks or chipped paint or plaster resulting from hard use or moving will be estimated accordingly. Cost of painting the unit will be assessed at checkout. If there are blatant and intentional drywall holes or excessive wear and tear you will be charged for painting the whole unit at full cost.
2. Range, burners, broiler pans, oven, and range hood must be cleaned well (\$50.00). Replacement costs are as follows: Drip pans, \$6.00 each; burner rings, \$6.00 each, 1-piece pan and ring, \$9.00 each.

Steam cleaning must be performed AFTER property is completely vacated. The carpet should be in the same condition as it was when the residence originally was turned over to the resident, normal wear and tear excepted. If a receipt is provided and it does not meet our standards may be redone by our contractor at the resident's expense. Carpet that a Resident has had shampooed but still needs additional steam cleaning will result in an additional charge. (Shampoo suds double and sometimes triple the time it normally takes to steam clean). Additional cleaning for carpeted steps, bad spots and stains (including pet odors and gum) or cost of replacing carpet that is damaged beyond cleaning will be estimated. (Carpets must be cleaned to our satisfaction.) If Bondurant Realty steam cleans the unit, the cost for such will be divided equally among the residents and deducted from their security deposits.
